# FRAGRANCE WHEEL

perfume collection

The background of the image is a close-up, top-down view of water ripples. The water is a soft, pale pink color, and the ripples create a complex, organic pattern of light and shadow. The light reflects off the peaks of the ripples, creating bright, shimmering highlights, while the troughs are in soft shadow. The overall effect is a sense of movement and fluidity. In the center of the image, there is a white rectangular box with a thin white border. Inside this box, the text "WOMEN'S collection" is written in a clean, black, sans-serif font. The text is centered both horizontally and vertically within the box.
